

Cristo Salva Baby Care Kits

Thank you for your interest in providing help to those in need. YOU can make a difference with sharing.

The contents of each of these Baby Care Kits are simple, basic items – baby shirts, diapers, pins – but having or not having them can make a world of difference to a mother. These Kits will be used in the villages of Honduras. Baby Care Kits are a highly requested item – thank you for insuring that all the listed contents are in each bag with no additional items to ensure easy customs clearance.

Assembling the Baby Care Kits is the first step in getting them to where they can be used by those in need. Your additional support of \$1.00 per Baby Care Kit will help make our precious resources go further and help ensure that the right product (your Baby Care Kits) will reach the right people at the right time.
